majority of the Palestinians are worried about a potential nuclear conflict between Europe and the United States on the one hand and Russia on the other.

Dr. Nabil Kukali, President and founder of the Palestinian Center for Public Opinion (PCPO), said in a statement that the margin of error in this poll was (± 3.07 %) and added that the survey has been conducted during the period (March 25- April 04), 2022 by using TAPI for data collection and Surveytogo Program. The most outstanding results, he said, are as follows:

(32.3 %) of the Palestinians believe that Russia has the right in waging war against its neighboring country Ukraine, whilst (40.2 %) said that Russia was wrong and (27.5 %) refused to answer the corresponding question.

Responding to the question: *“What do you think is the optimal solution to the Russian-Ukrainian conflict?”*, (27.4 %) said that “Ukraine should retreat from its intention to join the NATO”, (15.6 %) said “to implement the agreements previously signed by the conflicting parties”,

(14.8 %) said “the immediate cease-fire”, (11.9 %) “the unconditional pullback of Russia from Ukraine”, (11.7 %) said “both parties should sit at the negotiating table”, (9.8 %) “to stop the American-European intervention in the Ukrainian affairs”, (6.6 %) said that “the Ukrainian president should immediately submit his resignation and leave Ukraine” and (2.2 %) said “I don’t know”.

(58.4 %) of the Palestinians are worried about a potential nuclear conflict between Europe and the United States on the one hand and Russia on the other, whilst (41.6 %) said that they are “not worried”.

(84.2 %) of the Palestinian public is of the opinion that the war will have a negative impact on the Palestinians against (13.6 %) who said “the war will have no any impact on them at all”, and (2.2 %) were reluctant to answer the question.
